LVRC Youth Council takes out award

THE Lockyer Valley Regional Youth Council Relay for Life team, through the help of Regional Career Solutions raised over \$1500 in the support of the Queensland Cancer Council and took out the highest fundraiser in the youth category at this year's Lockyer Valley Relay for Life.

Janis Hall from Regional Career Solutions coordinated and supported the youth council team in the organisation of fundraising opportunities and regular committee meetings to organise their participation in the Relay For Life event.

The youth brought to the table great ideas for fundraising and worked as a team to achieve their goals. Fundraising opportunities came from one of the LVRYC members Charlie Barnard, in approaching her school and organising a free dress day raising over \$500.

A bowls night was also held which contributed to the overall success of the fundraising. Sponsors of the LVRC Youth Council team included: Better Electrical, Bloom'n Perfect Flowers, Sew Creative, Gatton Tattoos, Boko's Fruit Mart, Janis Hall, and the Lockyer Valley Regional Council.

The fundraising efforts of the LVRYC have not stopped yet with a skateboard competition to be held at Lake Apex on Saturday September 20. All proceeds from this event will also go towards Relay for Life. The LVRYC took away with them a trophy in the recognition of being the highest fundraisers in the Youth Category. The trophy will be displayed in the LVRC-Gatton Office.

PICTURED ARE THE members of the Lockyer Valley Regional Youth Council Relay for Life team which raised the most money in the Youth category at this year's Lockyer Valley Relay for Life.
